Clark W. Smith
460 East 200 North
Beaver, UT 84713

Dear Mr. Smith:

Our geologist has been inspecting the Smith Bros. unpatented mining claims since your exploration notice was submitted in October 1992. It appears that all work done on the claims since the notice was received falls under the category of casual use.

It is not necessary to submit a mining or exploration notice for casual use activities. Reclamation, however, is required for all disturbance to public land, including casual use activities.

Because only casual use activities have apparently occurred under this notice, it has been determined that this case file may be closed. This letter serves to close case file UTU-70046. Any future work on public lands which would require mechanized equipment or blasting must be submitted as a new mining or exploration notice or plan of operation.

The area will still be monitored for compliance with surface use regulations, including final reclamation. Please contact Gina Pack at this office if you abandon the claims or if you have any questions concerning this action.

Sincerely,

Arthur L. Tait
Acting
Arthur L. Tait
Area Manager

COMMENTS:

SENT NOTICE TO THE BLM AND THEY HAVE ACCEPTED IT AS AN EXPLORATION. DOMG SEES IT AS A SMO. BLASTING ROCK FROM HILLSIDE. THE VEIN IS ON THE SURFACE. OPERATOR WILL GET A FEW TRUCK LOADS FOR PROCESSING @600 SQ FT. THEY WILL USE EXISTING JEEP ROAD. THE ROAD WILL BE WIDENED & SMOOTHED OUT LARGE ENOUGH TO GET A 10-WHEEL TRUCK IN & OUT. BLM INSPECTED 6/95 & FOUND ONLY CASUAL USE. NO PERMIT REQUIRED. THEREFORE BLM CLOSE OUT FILE. DOGM ALSO CLOSES OUT FILE AS THIS IS ON BLM MANAGED LANDS.
